**RE: Letter of Intent – Timothy G. McGarry, MD, PLLC dba McGarry Orthopedic Clinic
– Addition of One Magnetic Resonance Imaging Scanner**

Dear Dr. Oliver:

I am writing pursuant to 12 VAC 5-220-180 of the Virginia Administrative Code to advise you of the intent of Timothy G. McGarry, MD, PLLC dba McGarry Orthopedic Clinic ("Clinic"), located at 21371 Forsythe Road, Bristol, VA 24202 to file a certificate of public need application to add one Magnetic Resonance Imaging (MRI) scanner in Planning District 3 in Washington County. Clinic intends on establishing a diagnostic imaging center that will provide the community with improved access to clinically important medical imaging technology, including this advanced imaging technology, which will raise the quality of imaging services and enhance the quality of patient care.

We request that you send the appropriate application forms so that we may proceed in the November 10, 2019 review cycle for Batch Group D. Please send the appropriate application forms to 21371 Forsythe Road, Bristol, VA 24202. Please also send an electronic copy of the application documents to Michael.mcgarry@energyorthopedics.com.

Sincerely,

Timothy McGarry, MD
